STATION/BASE <u>Hamburg</u>	PROJECT <u>None</u>	REPORT NO. <u>69-01</u>
AGENT'S CRYPT <u>CAINFER-1</u>	DATE OF POA/OA <u>6 May 1968</u>	
PERIOD COVERED <u>1 January 1969</u>	TO <u>31 March 1969</u>	
CASE OFFICER TIME <u>5 hours</u> (monthly)	COSTS <u>\$ 251.00</u> (during period)	

BACKGROUND AND ACCESS OF AGENT: Subject is a former high-ranking SS-officer who offered his services as a penetration asset of the National Democratic Party (NPD). His background during the Nazi period makes him attractive to the NPD. He has good connections in the local NPD organization of his city, and it is hoped that, eventually, he will have access to the party's national leadership.

TYPE OF AGENT COMMUNICATIONS: The agent has a Hamburg Base operational telephone number through which he can reach the case officer. The case officer can call Subject at his office. No other means of communications exist or are necessary.

TARGETING: (including OD citation) Priority B, Subparagraph A. Subject will be targeted against the national leadership of the NPD.

OPERATIONAL DEVELOPMENTS: (include security aspects and training)

Subject was met in January, February and March 1969. He has become an active member of the NPD, regularly attends meetings, and reports on these meetings to us. His daughter also has joined the party and belongs to the party's youth group. Subject has been instructed to develop his contact with two of the party's local district leaders, and to concentrate on collecting information on the national leadership, on NPD campaign plans for the 1969 parliamentary elections, on NPD contacts abroad, and on sources of NPD finances. [Subject was asked by the party to take charge of the task of building an internal security service on the Land level. He turned down the assignment, claiming ill health.]

ACTION TAKEN PER PREVIOUS HEADQUARTERS REVIEW:

Subject has been advised that we are interested in the collection requirements listed above, and that he should put forth every possible effort especially between now and the elections in September 1969.

PRODUCTION: (include significant operational information)

Two substantive reports (CS-311/00628/69 and EGG-1392). Subject also furnished biographic and assessment data on two local district NPD leaders.

VALUATION AND RECOMMENDATIONS: We intend to keep this case active and have monthly meetings with Subject at least until FIELD: the 1969 parliamentary elections. Depending on Subject's production during this period, and the outcome of the elections for the NPD, we expect to have a clearcut idea by the Fall of 1969 whether to continue or terminate this case. We may also consider using Subject's daughter, who is fully witting, as a long-range penetration of the NPD and its youth groups.
